SUMMARY

Male | 19th December, 2000 | Ethiopia, Addis Ababa

Citizenship: Ethiopia

Recent Software Engineering graduate specializing in **front-end development** and **UI/UX design**. Passionate about creating intuitive and visually appealing user interfaces. Skilled in modern web technologies, and design tools like Figma. Enthusiast of photography, bringing a keen eye for detail and aesthetics to all projects.

PROFESSIONAL EXPERIENCE

Student Intern - Front-end Developer

IE Network Solutions

May 2023 - Jul 2023

During my internship at IE Network Solutions, I worked as a front-end developer and UI designer to develop an in-house learning management system, effectively solving onboarding challenges and updating employee skills.
